

HOW YOU CAN REDUCE AIR POLLUTION FROM VEHICLE EMISSIONS

OZONE SEASON IS UPON US. THAT'S THE **BAD NEWS**.

HOW CAN YOU HELP?

-  **1** Drive less
-  **2** Drive wise
-  **3** Avoid idling
-  **4** Keep your vehicle maintained
-  **5** Choose fuel-efficient vehicles

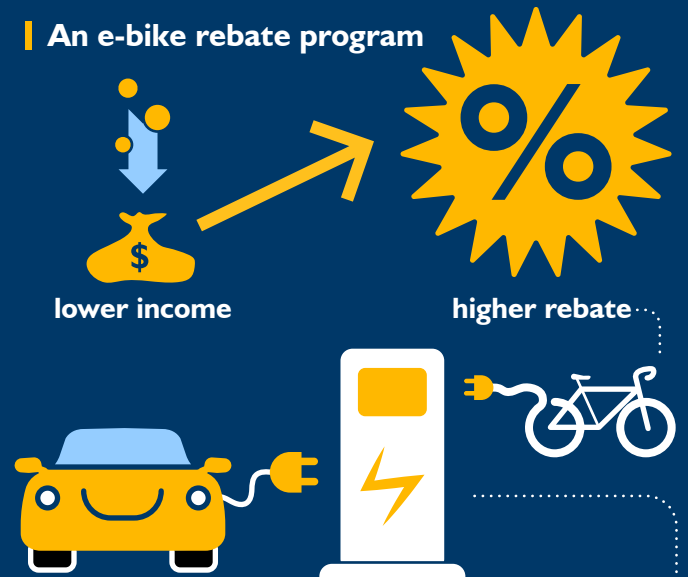

NOW FOR SOME **GOOD NEWS!**

The Atlanta Regional Commission is rolling out 2 new programs that can further reduce transportation-related pollution in the metro area:

| An e-bike rebate program

2 Installation of **300-400** electric vehicle charging ports in Atlanta communities where EV charging opportunities are scarce

Together, we can make a difference. **Better Air, Better Life.**
